

CARE ESSENTIALS

(Education for Caregivers of a Person with Dementia in the Middle Stages)

A First Link Learning Series for families and care partners of persons with dementia

Dates: October 21, 28, November 4, 18, 2015

Wednesdays: 10:00 am to 12:00 pm

Location: Alzheimer Society of Brant
6 Bell Lane, Suite 701, Brantford

This 4-week learning series follows Dementia Education. **Care Essentials** will focus on the middle stage of Alzheimer's disease and related dementias. We will discuss topics including: communication strategies, activities of daily living, how to manage responsive behaviours, safety and security of the home environment, and caring for the caregiver.

Care Essentials

Session Topics

- What to Expect: The Progression of Dementia
- Understanding and Managing the Behavioural Symptoms of Dementia in the Middle Stages
- Enhancing the Abilities of Persons with Dementia
- Self-Care for Caregivers: Assessing and Accessing Support
